

**EMPLOYMENT OPPORTUNITY
PUBLIC WORKS SPECIALIST II**

Range of pay

Specialist II-\$34,423-\$51,635
(Hiring Range \$34,423 to \$38,726)

The Town of Wendell, in Eastern Wake County, has a job opportunity for a Public Works Specialist II to focus primarily on storm water maintenance and improvement.

The successful candidate will have verifiable experience in heavy equipment operation (backhoe, mini-excavator, skid steer etc.) Specialist II employees must be able to perform with little to no supervision while performing their job duties. Duties will include setting ditches to grade, rough and finish grading, sidewalk forming/finishing, material handling and all functions of Public Works Specialist II job descriptions as assigned.

Position requirements:

Applicants are required to have a High School diploma or GED and a minimum 3 years of verifiable experience with heavy equipment operation. Candidates with current municipal storm water maintenance experience may be considered with less than 3 years of experience and without Class B or A CDL. The candidate without a Class B or A CDL will start at a reduced trainee status until CDL is obtained within a timeframe set at hiring.

This position requires that you be physically able to perform the basic functions associated with working in a field type, construction/excavation position. You must be physically capable of heavy work exerting occasional force up to 100 pounds, 50 pounds of force frequently and 20 pounds of force constantly.
